Skills

- **Languages**: Python , R , Java
- **Frameworks**: HTML and CSS, NodeJS, React
- **Tools/Platforms**: Tableau, Excel
- **Soft Skills**: Team Player, Adaptable

Training

- **Python Full Stack Development** June 2025 - July 2025
  - **About**: Completed intensive training on building full-stack applications, gaining expertise in creating backend RESTful APIs with Django and developing dynamic, responsive user interfaces with React.js.
  - **Tech stacks used**: Python, Django, React.js, PostgreSQL, HTML, CSS
- **Data Structures and Algorithms** June 2024 - July 2024
  - **About**: Completed training covering the fundamentals of Data Structures and Algorithms. Gained hands-on practice in implementing core structures and applying problem-solving techniques to common algorithmic challenges.
  - **Tech stacks used**: Python

Projects

- **HireWise - AI-Powered Job Portal**: July 2025
  Engineered a secure Django REST API and a dynamic React.js frontend to create a full-stack job application.
  Integrated a Natural Language Processing (NLP) model using spaCy for intelligent resume analysis, third-party Adzuna API to aggregate external job listings and ATS scoring against job descriptions.
  Deployed the entire application to production using Render for the PostgreSQL backend and Vercel for the frontend.
  Tech: Python, Django, React.js, PostgreSQL, REST API, spaCy, Render, vercel, Git
- **Machine Learning Model Comparison Using Cross-Validation**: November 2024
  Implemented 10-fold cross-validation to compare Decision Tree, k-NN, and SVM on the Iris dataset.
  Evaluated model accuracy to determine the best-performing classifier.
  Utilized libraries: caret, e1071, knn, rpart.
  Tech: R language

Certificates

- Python Full Stack by Cipher Schools July 2025
- Supervised machine learning: Regression and classification - by Coursera October 2024
- Data Analysis with Tableau - Self-Paced by Salesforce October 2024

Certifications

Cloud computing - Swayam NPTEL September 2024

Achievements

- **Hackerank – Problem solving**:
  Earned a 5-star proficiency badge in Python by solving numerous algorithmic challenges
- **LeetCode – Competitive Coding Practice**:
  Solved over 75+ Data Structures and Algorithms problems in Python

Education

- **Lovely Professional University** Punjab, India
  Bachelor of Technology - Computer Science and Engineering; ***CGPA: 6.6*** *Since August 2022*
- **Sri Viswasanthi EM High School** Gandigunta,Andhra Pradesh
  Intermediate; ***Percentage: 82%*** *April 2020 - March 2022*
- **Sri Viswasanthi EM High School** Gandigunta,Andhra Pradesh
  Matriculation; ***Percentage: 92%*** *April 2019 - March 2020*
